

Fancy Tops and Bottoms

By Nicholas P. Di Mona

This Presentation is intended to spark your creative juices and let you see that you can do the same thing that you do and come out with something **Different !**

Have you ever turned something and at some point wondered, hmmm I wonder ‘**what if**’ would have happened if I didsuch & such ?

Well if you try my ‘Fancy Tops and Bottoms’ techniques you will get some Interesting results.

Turn a hollow vessel and make multiple tops and finials and interchange them to see ‘**what if**’ ‘believe me it is so much fun. And after all isn’t that what it is all about?

Get ready to turn some fancy feet for your bowls or hollow forms and lidded vessels.
