Greetings Woodturners!

Looking for a great supplier of burls? Bad Dogs Burl Source is an outstanding option for you. We are located in western Massachusetts and offer an unsurpassed selection of Australian and North American burls and craft wood. With over 60 species in stock, we have everything from burl caps and vase blocks to pen blanks. If you have never turned Australian burls before, you are in for a treat. The colors and figure are absolutely stunning, definitely some of mother nature's finest work.

Bad Dogs Burl Source has been in business for almost two years now since acquiring Skip Bellock's ("The Burl Source") inventory out of Utah. We invite you and the members of your club to take a look at our website, www.burlsource.com, or call/email at contact information below. If you're in the area feel free to stop by. Enclosed are two brochures, one for you and the other to share with the chapter. Though our supplies are limited, we would be happy to send more if requested.

As woodturners and woodworkers ourselves, we know how hard it can be to find nice wood, as well as great customer service. We feel we provide both. For all AAW chapter members, until October 31, 2009, we are offering a 5% purchase discount just by telling us which AAW chapter they are with.

Give Bad Dogs Burl Source a try, I know you will be glad you did. Remember to "Turn to the Dogs" as your source of burl. Thank you for your time.

Best Regards,

Robert Doyle
