Business Meeting Adjourned

Hope to see you at the Christmas party.

I won't be bringing the DVD boxes, so you can keep the discs you have checked out until the January meeting without the overdue fee. However, if you're going to be out of town for the January meeting, you may bring the discs to the party, and I'll take them from you.

Also, though I won't have the sanding sheets/rolls there, if there are any last minute supplies you need, just email me, and I'll bring the individual items to the party. Please have the exact change since the money boxes won't be there either.

Happy Holidays to everyone, and thanks again for your support throughout the past year.
