## Minutes/Newsletter of Space Coast Woodturners – May 8, 2013

Submitted by Julian Pharis – Substitute Secretary

\* **President Read Johnson** announced that the AAW has awarded our club three free full registrations to the upcoming symposium because of the number of paid registrations from the club members. These three will be distributed by a special raffle drawing at break time. Make sure you have a ticket. The free registrations cannot be traded for a refund if you have already paid. If your raffle ticket is drawn and you know you can't use it please let us know and another will be drawn. You may know someone you can give it to, that will be fine. You will still be responsible for your food, room, wood and tools you buy. Congratulations to the winners: Gary Greenberg, Russ Bremmer, and Mike McLane.

Teknatool wants to get some feedback on the items sent to SCWT for us to try out. They need this in the next week or so.

\* **Secretary's Report** – Nothing to report.

\* **Treasurer's Report** – **Harvey Driver** said we have just over \$xxxx.xx in the account. He said we now have 72 paid memberships and 10 honorary for a total of 82.

\* **Vice President's Report** – **Russ Bremmer** – informed the club that the scheduled demonstrator for tonight is not available because of a death in the family. Terry Justice, with only a few minute's notice, will be our presenter tonight and show how he makes a platter. Thanks Terry.

Russ reminded us that the **VP challenge for June** will be something that begins with **M, N, or O** and the demo will be ice cream scoops. For July bring you jigs and gadgets. The hands on for the 18th will be intro to bowl turning.

Just a reminder – the meetings are held on the second Wednesday of the month from 7:00 – 9:00 PM and the hands-on sessions are held on the third Saturday of the month from 9:00 AM – Noon.

\* **Supply Master** – **Jim Donovan** reports that the shipment from Crafts Supplies is in. He is expecting new catalogs any day now. Please fill out your order form carefully and completely to avoid confusion resulting in you getting the wrong item (or no item at all).

Chuck Ortt thanked the club members for the donations of turned pieces to the church fund raiser. They were auctioned for more than \$1700. Thanks again.

The auction of the fresh cut Bay wood, the joiner, and the maple wood brought \$71 to the club.

The raffle winners of gift certificates were: Joe Montagnino, Charles Cecrle, and Gary Christensen. The bring back I believe went to Dale and the share the wealth donated by Ken Thurman went to Kaytlin Bremmer.

Submitted by Julian Pharis, substitute sect.

Thank you, Julian, for taking the minutes of the meeting. It's good to have a back-up when unexpected things happen.

\* **AAW National Symposium in Tampa, FL on June 28, 29, and 30, 2013**

Registration for the symposium can be made at the AAW website [www.woodturner.org](http://www.woodturner.org)

Future Demonstrators: June 12, 2013 – **Gary Christensen** – Scoop using the doughnut chuck

July 10, 2013 – **Lee Sky** – Goblets and/or Saturn Lidded Bowls (Boxes ?)

**The May hands-on session** on Intro to Bowls II, with Terry Justice, was well attended. Terry showed those present how to mount the bowl blank, turn off the corners, determine the shape of the bowl, and turn a tenon. Then he showed us how to turn the bowl around and hollow out the center. After we had all gotten that far in the turning, he showed us different ways to mount the bowl so that the foot could be finished. He showed us the vacuum chuck method and talked about using the Cole Jaws and a jam chuck.

You should give it a try if you have never turned bowls. Bowl turning CAN be fun!
