## Newsletter of Space Coast Woodturners – July 8, 2020

Submitted by Randy Hardy – Secretary

Russ Bremmer opened the 4th virtual SCWT meeting over Zoom for the July 2020 meeting at 7:03 P.M. About 26 members logged into this meeting that used Zoom (a teleconferencing application) that connected everyone up over the internet. This virtual meeting was in response to Melbourne Village canceling all activities at the Community House due to the COVID-19 issue.

The hands-on workshop scheduled for Saturday July 18, 2020 was also canceled.

The AAW virtual symposium was held over Zoom on July 10-12, 2020 for \$20.20. It featured remote demonstrations by Mike Mahoney, Rudy Lopez, Trent Bosch, Cindy Drozda, Glenn Lucas, & Craig Timmerman. Approximately 4,000 people registered for this AAW National Symposium. AAW pulled it off on short notice with only very minor hiccups.

### Co - Vice Presidents – John Conway & Paul Jackson

Tod Raines demonstrated a bullet box at the July meeting. A copy of the Zoom recording is attached. Rudy Lopez did our club demonstration in June, but he's been updating his website & said he hasn't forgotten about us – he'll have the recording soon. John setup Darryl Jones (Dread Knot Woodworking) to demonstrate for the August meeting. Read Johnson found this utube video & thinks it will be a good demo: [https://www.youtube.com/watch?v=h-KwHBcm\\_2s](https://www.youtube.com/watch?v=h-KwHBcm_2s)

Paul scheduled Trent Bosch to demonstrate in September. Trent demonstrated at the AAW Virtual Symposium & did a great job.

### Demonstration Schedule

Here are the future demonstrations scheduled (see SCWT website for up-to-date listing):

August	8/12/2020	Darryl Jones (Dread Knot Woodworking)
September	9/9/2020	Trent Bosch (Hollowing?)

The Vice Presidents are looking at getting Bob Harre, Andy Cole, Steve Marlow, Klingspor Woodworking – sanding options, Stephen Cook, Hunter Tool, Jim Echter, Alan Zenreich, Craig Timmerman, or Paul Sisko for future demonstrations.

### Treasurer – Read Johnson

Currently we have \$2,661.88 in the bank.

### Secretary – Randy Hardy

Nothing.

# SPACE COAST WOODTURNERS

## **Tool Talk** by Gary Christensen

Here's a new feature for the Newsletter – Gary finds new tools on the web each month, describes them, & provides you a link so you can go check them out.

New design for shop light. A search for LED light for my garage a new design for LEDs appeared. Amazon has many similar lights. Cost \$15 (40W) \$65 (150W. )

[https://www.amazon.com/gp/product/B0882VSBZ2/ref=ppx\\_yo\\_dt\\_b\\_asin\\_title\\_o00\\_s00?ie=UTF8&psc=1](https://www.amazon.com/gp/product/B0882VSBZ2/ref=ppx_yo_dt_b_asin_title_o00_s00?ie=UTF8&psc=1)

Advantage Compact w/ standard socket Available 40w-150w equiv. Low cost. “arms” adjustable (flat to vertical)

Rikon Model 70-3040: 30” x 40” VSR Lathe with Sliding Bed

Motorized Sliding Bed – Increase spindle length 20” up to 40” (expanded bed open throw to 30”)

<https://www.rikontools.com/product/70-3040>

## **Wood**

Rex Bradburn is heading up to South Carolina – he's going to bring back some Eucalyptus & Pecan. If you have a special request, please call Rex at (321)432-1162.

## **Lathe Tools, Lathe Paraphernalia, & Wood**

Read Johnson announced that he is closing up his shop. He has a wide assortment of lathe tools, various lathe equipment, & lots of wood (more wood than machinery). He will generate a list & put it on the website under the "For Sale" section.

## **Show & Tell**

All of the show & tell items presented at the July meeting can be seen on the web site:

<http://www.spacecoastwoodturners.com>

Items for the August 2020 Instant Gallery should be submitted by Friday, August 7, 2020. Simply fill out the attached form & click submit.

Next meeting: August 12, 2020

# SPACE COAST WOODTURNERS

The Chapter's Purposes,  
in addition to supporting the general purposes of  
the AMERICAN ASSOCIATION of WOODTURNERS,  
Inc., are to:

1. Provide a meeting place for local woodturners
2. Share ideas and techniques regarding this craft
3. Trade woods
4. Exchange ideas about tools
5. Exhibit finished projects
