Newsletter of Space Coast Woodturners – October 14, 2020

Submitted by Randy Hardy – Secretary

Russ Bremmer opened the 7th virtual SCWT meeting over Zoom for the October 2020 meeting at 7:02 P.M. About 23 people logged into this meeting that used Zoom (a teleconferencing application) that connected everyone up over the internet. SCWT invited the Brevard Woodturners & Treasure Coast Woodturners to attend. We had 3 guests - Mike Wheeler (will soon receive lathe & wants to start out right), Ruth Niles (from bottle stopper & eccentric chuck fame), & J. Verbeg. This virtual meeting was in response to Melbourne Village canceling all activities at the Community House due to the COVID-19 issue. They plan to re-open next month & we will reserve our normal meetings, workshops, & storage facilities for next year.

The hands-on workshop scheduled for Saturday October 17, 2020 was also canceled.

Co - Vice Presidents – John Conway & Paul Jackson

Paul said that Alan & Lauren Zenreich would do a demonstration on jewelry for tonight's meeting.

Demonstration Schedule

Here are the future demonstrations scheduled (see SCWT website for up-to-date listing):

November 11/11/2020 Craig Timmerman (Spheres?)

December 12/9/2020 Holiday Party (No demo yet)

The Vice Presidents are looking at getting Bob Harre, Andy Cole, Steve Marlow, Klingspor Woodworking – sanding options, Stephen Cook, Hunter Tool, Jim Echter, or Paul Sisko for future demonstrations.

Randy Hardy suggested holding a regular meeting in December in lieu of the normal traditional Holiday Party. Paul Jackson will try to find someone to do a virtual demonstration.

Treasurer – Read Johnson

Currently we have \$2,551.88 in the bank.

Secretary – Randy Hardy

Nothing

Russ Bremmer demonstrated how to fill out the instant gallery form so anyone can submit items for Show & Tell. I couldn't figure out how to access the form – it's on Google docs (my drive) on the account spacecoastwoodturners2020@gmail.com, but I think permission has to be shared before you can access it.
