## Newsletter of Space Coast Woodturners – September 8, 2021

Submitted by Randy Hardy – Secretary

Russ Bremmer opened the meeting of the Space Coast Woodturners. We also conducted a Zoom meeting in parallel.

### Old Business

#### Florida Woodturning Symposium

There will not be a symposium for 2021 but a symposium is scheduled for 2022 – see the website:

<http://floridawoodturningsymposium.com/>

Symposium will be February 18-20, 2022 at the R. P. Funding Center in Lakeland, Florida. Everyone is responsible for their own lodging & meals. There are no workshops planned & demonstrations will begin on Friday at 8 A.M. Here is a list of the featured speakers:

#### National Demonstrators

David Ellsworth  
Mark Gardner  
Carol Hall  
Avelino Samuel

#### Regional Demonstrators

Kent Harriss  
Keith Larrett  
Jack Roberts  
Kent Weakley

There are 8 rotations on Friday, 8 rotations on Saturday, & 4 rotations on Sunday. Concession stands will provide breakfast, lunch, & dinner. There is a cash bar Friday night & Saturday night. Friday night is instant gallery critique & Saturday night is the auction. The Symposium has reserved blocks of hotel rooms at two nearby hotels. Go through the Florida Symposium website. Parking is free. Raffle tickets are available. Registration for the 2022 Florida Symposium is now open. Use entrance #6 for parking & entrance #2 for the Symposium (follow the signs).

### Relocation

The SCWT Board is investigating alternative meeting places to Melbourne Village – MakerSpace (Wickham Road) is an option. We would be covered under their insurance. We need to explore how we would store our existing lathes. A motion was made & seconded (the motion passed) for the board to continue exploring this option. We also need to figure out how to store & display our library of DVDs.

### Non-Profit Status

Federal versus state non-profit status for qualification for funds from the Florida Symposium.

### New Business

There will not be a SCWT Christmas Party or meeting this year due to close proximity of members & the chance of exposure to COVID-19.

### Honor Flight

Honor Flight Reunion – October 10, 2021 – get more details from Gary Christensen.

We have enough pens for at least 3 flights.
