Officer's Reports

Treasurer –

We have \$4,743.80 in our bank account – since Read passed away, our banking account may not be accurate. John Cannon is helping with the transition. Sally Deabenderfer volunteered to become our new treasurer – thanks, Sally & John! Sally made a motion to become new treasurer & Rex Bradburn seconded it. The motion passed unanimously.

Just a reminder –

Annual dues for 2023 (\$40 for individuals & \$45 for families) are now being accepted. If you haven't paid dues for 2022 yet, please submit them to:

Sally Deabenderfer

Satellite Beach, Florida 32937

Make the check out to Space Coast Woodturners.

Nothing

Vice President – John Conway

There was no demo tonight. Members brought in Christmas ornaments that they have made over the years & briefly explained how to make them. There was also a video by Anne from Tiny turners on how to make gonks. The demonstration schedule follows:

November 9, 2022	Daryl Jones	Remote Demo: turning more complex Christmas Ornaments
December 14, 2022	Russ Bremmer	Gnome Demo

New Business

Elections for club officers should be held this year. We need to migrate in new members.

Old Business

Please register for the Florida Woodturning Symposium (<https://floridawoodturningsymposium.com/>) - less than 100 people have registered so far. Need more! There probably won't be a disbursement of funds this year. Raffle tickets are available – see Russ.

There will not be a workshop this month & the workshop for next month is questionable.

SPACE COAST WOODTURNERS
